

## Recycling Memes

Here are some funny recycling memes for the workplace! Please feel free to share the image and or the suggested caption below them.

Thank you for all who flatten their boxes! It saves space in the Blue Bin and leaves room for more recyclables.

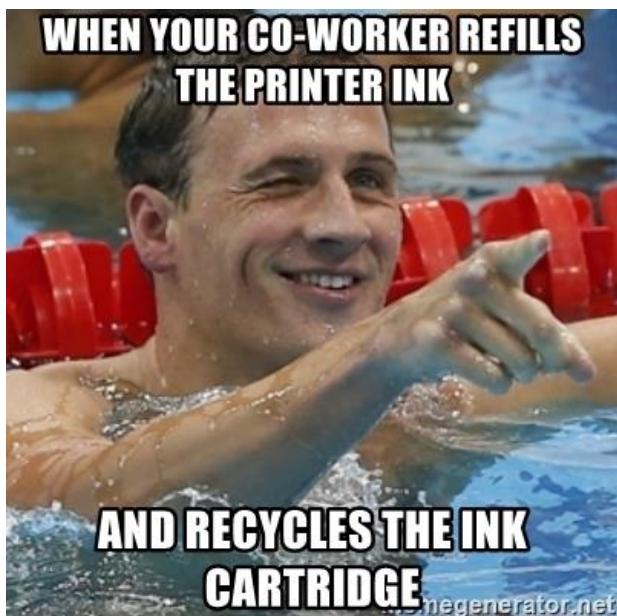

Buying office supplies made with recycled content helps close the recycling loop!

**RECYCLING'S MY FAVORITE**

Did you know that nearly 50% of our daily waste is recyclable? Keep a recycling bin close by a trash bin to capture all paper, cardboard, cartons, bottles and containers—plastic, glass and metal!

Recycling ink cartridges is easy! Label a box “Ink Recycling”. Place in an accessible area so that everyone can toss their empty ink cartridges in. Once full, make a trip to an office supply business to recycle!

# WATCHING SOMEONE RECYCLE

memegenerator.net

Plastic utensils are not recyclable. Just because something is plastic, doesn't mean it can be recycled! Only plastic bottles and containers can go in your Blue Bin. Always choose reusable!

**YOU DON'T HAVE ANY  
RECYCLABLES?**

**FALSE. YOUR TRASH BIN IS FULL  
OF PAPER.**

memegenerator.net

Think "recycle it" before trashing it! Keep your recycling bin as close by your trash can to avoid tossing valuable recyclables in the trash!

# WHEN SOMEONE THINKS

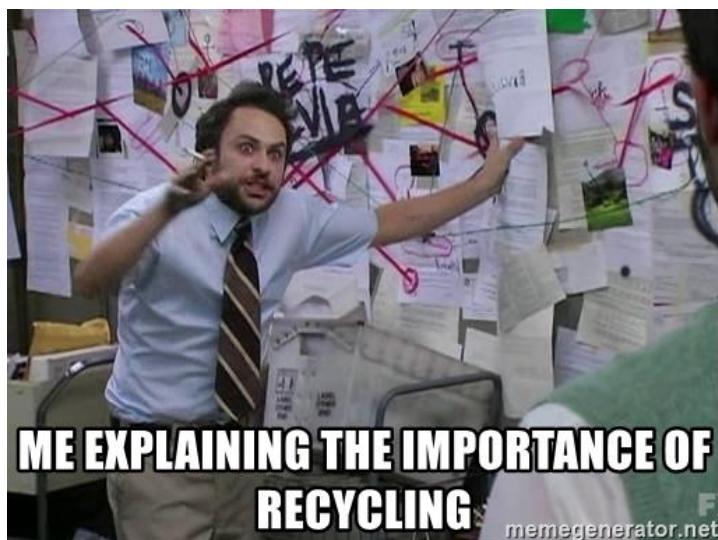

memegenerator.net

Unforuntely, paper cups cannot be recycled. The liner for hot beverages prevents them from being recycled. Always choose reusable!

**NO CHIP BAGS & GRANOLA  
WRAPPERS**

Chip bags and granola wrappers are a mix of foil and plastic and cannot be recycled in your Blue Bin!

Recycling is important! Help save valuable resources from ending up the in the landfill.

**SAY NO TO THAT STYROFOAM  
CUP**

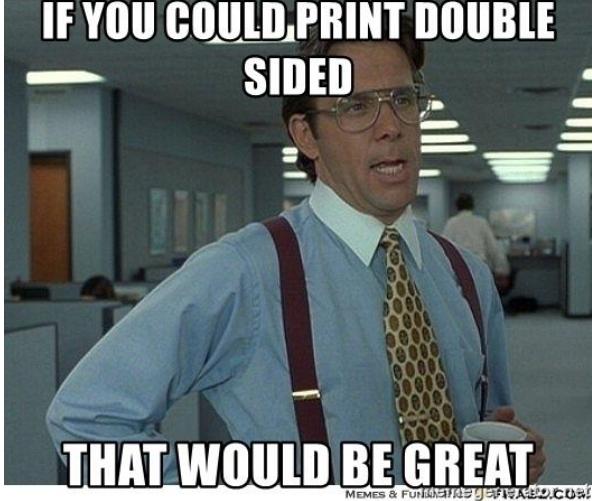

**BRING ON THAT REUSABLE MUG**

Styrofoam is not recyclable! Period. The end! Choose a reusable mug for your coffee or tea.

**IF YOU COULD PRINT DOUBLE  
SIDED**

**THAT WOULD BE GREAT**

MEMES & FUNNY STUFF © SPARECOURT

Just because it is the backside of the paper doesn't mean it isn't useful! Print double sided and increase your margins, if necessary, to save paper.

**COME ON!**

**THE RECYCLING BIN IS RIGHT NEXT  
TO THE TRASH CAN.**
