

Homemade Cereal Box Puzzles:

Learning Component:

Upcycle your empty cereal boxes into puzzles for the kids! Teach the kids the importance of reusing items, when possible, to turn them into other fun and useful items or activities! Puzzles are great for kids' motor skills, problem solving and planning. Incorporate learning components about where our paper comes from and why trees are so important.

What you'll need:

- Puzzle Template (make your own or print offline)
- Cereal Boxes
- Scissors
