

WHAT GOES IN THE BLUE BIN

Plastic bottles
(reattach lids!)

Aluminum cans

Beverage cartons

Glass bottles

All paper

AND WHAT DOESN'T

- Plastic chip bags
- Snack wrappers
- Food waste
- Styrofoam

Helpful Tips

- From the vending machine: All drink bottles and cans ARE recyclable, most snack wrappers and bags are NOT.
- Bring a reusable water bottle to the rec center instead of wasting money on bottled water. You'll save cash and precious natural resources!
- These are the most commonly found recyclables at the rec center! For a full list of what can go in your Blue Bin at home, visit us online!
- Follow us on social media for more recycling tips!
