We, the undersigned residents of _____, hereby submit this petition to request recycling collection services. The implementation of a recycling program will result in a significant reduction of waste in our landfills, contribute to cleaner streets, conserve natural resources, create jobs, save energy and overall promote a healthier environment for everyone. For information on how to start recycling in your building, visit stlcityrecycles.com/multifamily.

We invite you to support our efforts to secure recycling collection services by adding your name to this petition today.
